

In 2023, we invite you to join the 21 days of fasting and prayer that will take place from January 29th to February 18th, whose proposal is that we turn to God, that we examine our hearts and be faithful to reflect it in our daily environment, the only way to bring about the authentic transformation that our country needs.

Welcome to this community that longs to see the entire nation  
prosperous and blessed!

"Glory in his holy name; let the hearts of those who seek the Lord rejoice" psalm 105:3-4

### Pray WORK!

The term pray has its origins in three words that invite action: speak, ask and beg. And who better to hear us speak, ask and pray than our Heavenly Father, who is Omnipotent and Omniscient.

However, it may be that throughout your life you have lost faith in that direct communication channel with God, probably an unanswered prayer in your time has made you think that the message was not received or that God did not listen to you, but it is necessary to understand that God acts in His own time and moment.

How about you try again? How about turning prayer into a little more disciplined and consistent process? Although God is powerful, perhaps he needs to hear your voice more often to act clearly in what you need.

2023 is the time to return to God, that is, to recognize that we have walked without His direction and to put Him back in the first place, follow His commandments and allow Him to transform us so that we are a reflection of His light in our environment and our nation.

We invite you to join the prayer. It is a time in which we pray and ask that God act in our hearts and intervene in the nation. You are welcome, we are sure that through this resource you will be able to verify that prayer is effective because God continues to answer!.

**"This I tell you: if two of you agree here on earth to ask for something in prayer, my Father who is in heaven will give it to you." Matthew 18:19 NIV**
